ANDALUSIA
BALLET

Position Announcement:

Ballet Instructor/Social Media Content Manager

We are looking for a passionate, motivated individual to join our vibrant dance-centered arts organization in a small but culturally-engaged community. You will be responsible for teaching and training preschool and elementary age students in creative movement and ballet technique. Our goal is to engage, motivate and inspire our students to love dance while giving them an excellent basis in proper technique. In addition, you will be responsible for posting to social media, FaceBook and Instagram, in order to promote the Ballet.

Responsibilities:

- Willingness/ability to exhibit an excited and energetic attitude.
- Willingness/ability to engage, encourage, and motivate students in a fun, creative yet disciplined environment.
- Willingness/ability to teach creative movement and elementary level ballet technique.
- Willingness to follow the teaching/lesson plans that the Artistic Director has created.
- Willingness/ability to teach planned choreography to students in preparation for performances.
- Willingness/ability to choreograph pieces and select music for performances as requested by Artistic Director.
- Willingness/ability to communicate with Artistic Director, Business Manager, and fellow faculty members.
- Willingness/ability to create social media content.
- Willingness/ability to take photographs for social media content.
- Willingness/ability to use photographs and videos taken by other to create and post content on social media platforms.

Requirements:

- Bachelor's degree in dance, dance education or certification in dance education from an accredited college.
- Previous teaching experience required.
- Demonstrated social media savviness.
- Excellent communication skills.
- Dependable.
- Energetic and creative.

Contract Terms:

Salary commensurate with experience
