

COVID-19 PROTOCOLS FOR ALABAMA DANCE FESTIVAL JANUARY 14-23, 2022

With the number of cases rising rapidly in Alabama, the following COVID-19 protocols must be observed for all Alabama Dance Festival in-person activities on January 14-23 at each location, including dance classes/workshops/lectures, technical rehearsals, and performances (both audience and performers). Full vaccination and a booster, if eligible, is highly recommended for all in-person attendees.

- Masks are required for all indoor activities regardless of vaccination status. The ADC will have surgical masks available at each location.
- Maintain social distancing (6 feet) as much as possible between yourself and others not in your household.
- Wash your hands often with soap and water for at least 20 seconds or use a hand sanitizer with at least 60% alcohol. Hand sanitizer will be readily available.
- DO NOT ATTEND if you are not feeling well. Temperatures will be checked daily at each location. You will receive a wrist band each day when your temperature is checked. Show this wrist band for entry to each location.

**THANK YOU FOR KEEPING OUR COMMUNITY SAFE AND
DANCING!**
